Share the fundraising link with your family, friends, and on social media to further support Henry Ford SandCastles Grief Support Program

SandCastles Grief Support Program, established in 1997 by Henry Ford Hospice, believes that every child and teen deserves the opportunity to grieve in a supportive, nurturing environment. Grieving youth ages 3 to 18 are offered a safe place where they can interact with peers who have experienced similar losses, learn lifelong coping skills, and begin a healthy healing process. Participants learn how to identify and express their feelings and, in doing so, empower one another.
